

SANLAND MINING

Company Profile

- **Sanland** was founded in 1998
- **Sanland** is a subsidiary company of **N**orthern **H**eavy Industries Group Co.,Ltd
(NHI was founded in 1937 and is the first heavy machinery manufacturer in China)
- **Sanland** is the leading manufacturer in China in the field of crushing & grinding Equipment
- **Sanland** is recognized in the international markets such as South America, South Africa and Middle East.
- **Sanland** North America opened in 2012-2013

Manufacturing Capability

- Two Assembly & Machinery Plants.

Function: Crushers
Area: Kaiyuan, Liaoning, China
No. of Employees: 150
Engineers: 16

Function: Mill
Area: Shenyang, Liaoning, China
No. of Employees: 135
Engineers: 36

Manufacturing Capability

- Casting Plant

50t VOD Furnace

Duplex 50t VOD Furnace

Mobile Long Arm Automatic Mixer

Manufacturing Capability

- Forging Plant.

80t heat treatment

90t Trolley heat treatment

High Tech Machinery

2.5m CNC Stand Latch

High Tech Machinery

4m Stand Latch

High Tech Machinery

100 Upright Drill

High Tech Machinery

130mm DD Boring Machine

High Tech Machinery

130mm DD Boring Machine

High Tech Machinery

Bevel Gear Planner
Switzerland imported

High Tech Machinery

Bevel Gear Planner
Switzerland imported

High Tech Machinery

Sand Blasting Machine

Blast 50 ton of Bulky one time

High Tech Machinery

Sand Blasting Machine

Blast 50 ton of Bulky one time

High Tech Machinery

6.3m CNC Stand Latch

High Tech Machinery

200mm Boring Machine

High Tech Machinery

800mm Bending machine

Product Introduction

1

- American Crusher Made by Sanland

2

- 63 Different Countries Installation

3

- CE & ISO9001:2000 Certified

Product Introduction

4.5m x 6.1m Ball Mill

Product Introduction

7ft Symons Cone Crusher

Product Introduction

48' x 42' Jaw Crusher Main Frame

Product Introduction

Heavy-Duty Apron Feeder

Product Introduction

Crushing Line

Technical support

Sanland Mining Equipment Manufacture Co.,Ltd - North American Branch
